Photographic Services

Normal processing time for reproduction of photographs is ten days. Allow 3-4 days for mailing. There is a 50% charge for work needed in three days, and a 100% charge for work required in one day. Photograph orders are to be paid in advance. Glossy and matte surface prints are made on Kodak RC (Resin Coated) paper. Archival prints are made on Kodak Elite fiber base fine art paper with high resin luster. Sepia toning is also available.
